CIO Council Minutes
May 29, 2008
Judicial Branch Building, First Floor West Conference Room 165

Welcome and Introductions: Margaret Munson

Virtual Desktop: Jason Burks, Open Technologies; Jefferi Holland, Sun Ray Specialist
- Cafeteria style infrastructure
- Offers integration with VOIP phone
- Conserves energy
- Limitations – not all peripherals include drivers for this system and it is not well-suited for multi-media uses.
- June 4 event at DSM Country Club – email Jason Burks is interested.
- Bandwidth and the type of applications in use are considerations when looking at this thin client solution.

(Rick Hindman took over chair.)
GIS / IGIC Discussion: Chris Ensminger (DNR)
- Iowa Geographic Information Council was established during the Branstad administration by Executive Order. It attained non-profit status in 2003 and operates through volunteers at the state, county, university, and other levels.
- At DNR, program areas are now responsible for their own GIS data.
- Iowa Geospatial Infrastructure is an initiative led by Jim Giglierano of DNR.
- The best data is currently available at the county level.

ISO / Security Sub-committee Updates: Greg Fay
- The video is progressing.
- TGB approved the mobile device security standard, effective July 31, 2008. Get back to Greg with issues with the standard.
- Blackberries will have requirements both for ITE and the departments.
- Each agency should have a policy and acknowledgements.
- Devices that connect to Exchange are particularly affected.

ICN Update / Demo: Phil Groner; Mark Dayton
Perfect Meeting Together Plus
- Can bridge in phone and conferencing rooms
- Subscription service, monthly rate = $99 if receiving Internet service from ICN; otherwise the rate is higher.
- Encrypted
- Meeting organizer is billed for non-subscribers who participate in the meeting.
- Contact Phil or agency account representative or visit the ICN Web site for more information.

JCIO / TGB Updates: Rick Hindman, Rich Jacobs
All CIOs are invited to the JCIO meeting at 8 am next Thursday morning to discuss all ITE rates and rate setting.
